## What We Are Learning!

We had a great week learning all about zoo animals. We read lots of books, watched some cool videos, added zoo animals to our Legos and blocks, wrote in our journals about their favorite zoo animals, and even used stamps to create their own zoo. We also did some zoo animal tracing, counting, sorting, and shadow matching. We worked on the letter Z with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We played Zingo, Whose Nose?, and worked floor puzzles. In Religion we talked about how Jesus wants us to love one another and special gifts we can give. In Art Class they made their own paper Easter Candles.
