

6th Grade Weekly News

August 30, 2024

Mrs. Kalie Naas--knaas@smsrockets.net--812-431-0831

From the Desk of Mrs. Naas:

It was another successful week in 6th grade! We are in a routine and have a good rhythm to our day. Everyone seems happy and eager to learn. Yesterday at Mass students got to sing in the choir with Miss. Beck. They did a fantastic job! They will continue to have a scheduled choir rotation. Ask them when they sing and come join us anytime at Mass to hear their beautiful voices!

Students will be taking their first Social Studies quiz on Wednesday over Map Skills and Geography. There will always be a study guide that we will check together in class before the quiz and we play a review game the day before the quiz. Ask your kiddo if they are ready for the quiz.

Did you know that you can check your student's grades in the FACTS Family Portal? This is the same website that you used when you registered your student online. I have had all students create their own accounts and they are able to keep track of their grades. We iterate that it is very important to check grades often, and I encourage you to do the same :-)

Enjoy the Labor Day Weekend!

Religion: Finished Sacraments Slide shows. Memory quiz Nicene Creed 09/6
