

6th Grade Weekly News

September 18, 2024

Mrs. Kalie Naas--knaas@smsrockets.net--812-431-0831

From the Desk of Mrs. Naas:

Yesterday we celebrated Grandparents Day with Mass, donuts, and a visit to our classroom(s). It was wonderful to meet all the special people in the lives of your children. During our class virtue circle on Wednesday, we talked about all the ways our grandparents influence our lives and the special names we call them. We made them a "heart" card and gifted it to them during their visit.

Next week begins IOWA Basic Testing. Middle School will be taking all parts of the test on Monday and Tuesday only. This will allow for a normal schedule the rest of the week. I have attached a note to this letter with your assigned snack day if you volunteered. Thank you for keeping our brains and bodies energized!

5th-8th grade have their first field trip of the year coming up! We are going to visit Marengo Cave on Wednesday, October 2. The information letter and permission/chaperone was sent home last Friday. If you haven't signed the permission slip, please do so ASAP! Thank you to Jeff Stevens and Marcerie Hocking for joining us on this trip!

Midterm Reports were sent home on Wednesday. Please sign and return ASAP!

Have a wonderful weekend!

Religion: The Chosen

Science: States of Matter

Math: Prime vs. composite numbers, greatest common factor, and least common multiple
