KDG High Frequency Words & Blending Sounds

Reading the growing list of sight words and blending letter sounds to make words (decoding) are ESSENTIAL KDG skills. A few Kinders may need extra time outside the classroom to master these words. If you haven't already, start working now to **make practicing sight words & decoding a nightly routine**. If your Kinder knows them in a snap the 1st time thru, s/he is meeting expectations. So far: am, I, like, at, sat, the, a. During our morning meeting, we are also working on reading color & number words.
