What We Are Learning!

We have been enjoying this beautiful weather and playing outside with our friends. We are so thankful for the new mulch on the playground! We took a walk and got to see the court house, police and sheriff stations, the post office, and even checked out the inside of our beautiful church. We began our Handwriting Without Tears (HWT) Program with the letter L using Play-Doh, magnet writers, chalk boards, paint doobers, and iPads. We practiced numbers 1-10 through tracing, puzzles, pegs, dice, dominos, iPads, counting bears, beads, and paperclips. We also rotated through several math centers. We continue to work on our names daily. We had another successful Show and Tell this week. Show and Tell will be every Tuesday morning.
