## What We Are Learning!

What a wonderful Grandparent's Celebration we had! The littles loved spending time with everyone. We worked on the letter E with our Handwriting Without Tears (HWT) Program using Play-Doh, magnet writers, chalk boards, paint dobbers, and iPads. We also practiced the square. We spent the week learning about apples through books, videos, and songs. We sorted, graphed, and even tasted the different types of apples. They wrote in their journals about their favorite. We had a tie between the red and green ones! We practiced our tracing, cutting, gluing, and painting skills to make some apple crafts for our walls. We also made an apple book to practice reading. We rotated through several alphabet centers and continue to work on name writing.
