NEWS

What a fun week it has been! We all had the best time on the field trip and can't believe that such an amazing formation is so close to our hometown.

We are looking forward to next week 10/9 when we head to the pumpkin patch with our little buddies! This will only be a half day trip and will be back for our afternoon classes. If you have not sent \$6 with your child, please be sure they have that for the trip! This ensures they have a ticket into the patch as well as a pumpkin to take home.

October 16 is the end of the first quarter! This year is flying by!! Attached to this letter is the sign up for parent teacher conferences. If you wish to have a meeting with any or all of your child's teachers, please fill out this form and send it back by Oct 11, so we can get you scheduled.

In The Classroom

Language Arts: DAR Essay, Abandon Places Scary Story
