Reminders

Homework Spending about 5 minutes on each subject, including reading the textbook, AR book, and phonics. This will help meet the reading time requirement without feeling overly burdensome. Limit math practice to 5-10 minutes per day of flashcard work. This should keep the total daily homework time around 20-25 minutes. **Encourage Breaks** You could break homework up into 4 five-minute sessions or two 10-minute sessions. Please practice Math flashcards and Phonics words at your discretion. Thank you!
