Mrs. Kalie Naas--knaas@smsrockets.net--812-431-0831

From the Desk of Mrs. Naas:

Thank you to Ms. Beck for organizing the Marengo Cave field trip for us! So many details go into making a trip like this successful and fun! I think we can agree that this is one of the things that makes SMS special. Also, a BIG THANK YOU to the Rockets Foundation for covering the cost of our trip and to our parent chaperones: Marcerie Hocking and Jeff Stevens. It was truly a beautiful fall day in God's creation.

Also thank you to those who participated in any way last Saturday at the Annual Rockets Foundation Golf Scramble. Even though it was a rainy day, fun was had by all. Thank you for your continued support.

Ready or not, Quarter 1 is coming to a close. October 16 is the final day of the quarter. Attached to this letter is a Parent-Teacher Conference Sign-Up. Middle School will be doing conferences on Tuesday October 22 and Thursday October 24. Take a look and let me know if you have any questions.
