What is a Saint?

*A saint is a person just like you & me who made mistakes, but tried above all things to love God. As their lives went on they became remarkably holy and wanted to be as close to God as possible. **We don't worship the saints, but saints can be our heroes because of the way they lived their lives for Christ.** We can live saintly lives by reflecting God's love in all we do. We will care about others, be kind, helpful, honest, forgiving, and make God the most important thing.*

All Saints Day is observed each year on November 1st.

Here's What We'll Be Working On

Christianity: *God Forgives us When
We Say We are Sorry*

Phonics Focus Sound: /k/ Bring something
with /k/ in beginning, middle, end position

Decodable Reader: Pam Can

Focus Words: be & Color words

Math: Continue Unit 5 Measurement

Students will compare & order objects according to
their measurable attributes

Science: Bones / Skeletons! ☺

Change of BTT Days

Due to the Ice Hockey Game, Halloween Party, Trunk or Treat & No School on Nov 4 & 5, our reading curriculum will be (productively) interrupted 4 of the next 10 days. To accommodate this loss of academic time we will keep the same decodable reader for 2 weeks. To keep it equal, your Kinder will only have one BTT day during the next 2 weeks & for most it will fall on a different day of the week.
