

Mrs. Whitney's PRE-SCHOOL NEWS

WHAT'S HAPPENING IN PS!

Whew! We made it another week in preschool and what a great BUSY week that we had!

This week we worked on mastering letter 'E' - we danced, sang, traced, dotted, play'doh'd, colored, and sensory bin sorted the letter E! Next week we will move on to letter 'F'! We will continue to work on our routine, classroom expectations and structure as we add more and more to their day. We will soon be starting our Trees study from the Creative Curriculum that we use! Fall is the perfect time to start with the gorgeous trees changing.

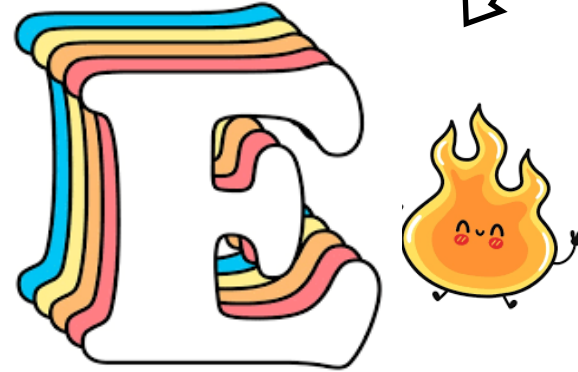

If you are out and about in your yard - please think of having your little pick up leaves/small sticks/long grass/acorns and put in a baggie to bring in to class! We are going use it to cut for a sensory bin to start our study! We had our WVC buddies this week! This is something that we will do every other week with different WVC student athletes. We are so excited for this and they had the BEST time with the baseball team this week! Thank you, WVC student athletes, for making our littles day! We also had a whole school fire drill on Wednesday. The littles did not like the loud sound but they quickly and quietly did what they were suppose to! We also talked about fire safety! Great job, PS!

Halloween party information is attached. Please keep in mind that we are having our Halloween party and trunk or treat the same day. They are encouraged to wear their costumes HOWEVER there IS a chance your little will get messy/get something on their costume, PLEASE keep this in mind! Your little should be able to get in/out of their costume easily and on their own to use the potty, too! They will need to have NORMAL SCHOOL SHOES ON and CLOTHES UNDER THEIR COSTUME.

Our field trip is next week! PLEASE make sure your child protection course is finished so you can attend the field trip.

All parents *MUST* take the online child protection course provided by the Diocese to participate. Papers were sent home already with instructions. If you have taken this course before, you *MUST* take the refresher - it is required! Even as teachers, we take it every year! If you need another copy let me know and I'll get it to you! I WILL get a copy of who is in compliance before the field trip date. You must do this to participate in classroom activities as well!

Our Focus ↪
