What We Are Learning!

We had a great trip to the pumpkin patch and the weather was perfect. A big "THANK YOU" to all our volunteers who came along to help! We were so lucky our 8th grade buddies could join us. The littles are still talking about all the fun they had. We shared some pumpkin patch stories and wrote in our journals about their favorite activity. We cleaned our pumpkins and did an investigation on their shape, size, and measurements. We water colored and finger painted a pumpkin patch picture. We also talked about fire prevention and safety through books and videos. We had a practice fire drill with our kindergarten friends. Do you have a plan at home in case of fire or emergency? The littles enjoyed our 1st visit with Fr. Robert.
