## What We Are Learning!

We worked on the letter T this week with our Handwriting Program using Play-Doh, magnet writers, chalk boards, paint dobbers, and iPads. We cut open a pumpkin, played in the gooey insides, and counted seeds. We also did hands on activities with a large sunflower. We tasted pumpkin and sunflower seeds and most of the littles liked them! We did predictions to see if pumpkins sink or float. We painted spider handprints, painted a ghost with poms, and sponge painted our names. We also rotated through several science and math centers concentrating on numbers 1-10. In Religion we learned how Jesus wants us to be helpers and those who serve are important. We enjoyed attending Mass with our prayer partner Miss Erin.
