What We Are Learning!

It was great getting to meet with so many during conferences and chat about all the wonderful things the littles are learning! We worked on the letter I this week with our Handwriting Program using Play-Doh, magnet writers, chalk boards, paint doobers, and iPads. We read stories, watched videos, and sang songs about jack-o-lanterns. We made a foam jack-o-lantern, did pumpkin shapes, candy corn math, and lots of coloring. We also rotated through some fun centers including cool Insects during our science centers. In Religion we learned how Jesus helps us see and all the ways we use our sight. Our virtue for 2nd quarter is gratitude. We will be talking about all the wonderful things we are thankful for.
