What We Are Learning!

It was a short week, but full of fun and learning. We reviewed the letters L, E, F, T, I, and U with Play-Doh, magnetic letters, iPads, dry erase, and even Legos. We also rotated through several alphabet centers. We made some cute turkeys by painting with dish wands, and used Legos to paint Indian corn. The littles had fun making some cute sticker scarecrows with Mrs. Vargo. We also water colored Veteran's Day pictures and made some cards. In Religion we talked about how everyone's gift is important, and that Jesus likes gifts from the heart. Our virtue for 2nd quarter is gratitude and we have been talking about all the wonderful things we are thankful for.
