## What We Are Learning!

We worked on the letter C with our HWT Program using Play-Doh, iPads, chalk boards, and paint dobbers. We met a new friend, "Magic C" Bunny! We talked about different types of clothing, the seasons we would wear them, and different fabrics and sizes. We also learned to use sewing cards, do paper weaving, and worked to button, tie, lace, and zip. We sorted through lots of cool buttons, played with dress up dolls, and even danced with colorful silk scarves! In Religion we talked about how we all have different kinds of feelings and that Jesus is always with us. We continue talking about our virtue of gratitude and all the wonderful things we are thankful for.
