What We Are Learning!

We had a wonderful time with our Kindergarten friends during our Friendsgiving Celebration. The littles looked so cute! They loved hanging out with the big kiddos and rotating in and out of both classrooms doing fun activities and sharing a special meal together. We worked on the letter O with our HWT Program using Play-Doh, iPads, chalk boards, and paint dobbers. We made fun place mats, water colored a turkey, made a turkey book, and colored by number. We also rotated through several science and number centers. In Religion we talked about how Jesus is our leader and all the reasons we have to be thankful for every day. In music class we have been practicing our songs for the Christmas Program.
