## What We Are Learning!

We worked on the letter G with our HWT Program using Play-Doh, iPads, chalk boards, and paint dobbers. We rotated through several math centers, and built with Gears, Legos, and connectors. We continue learning about the season of Advent and following along with our daily Advent Book. We water colored angels and decorated our Christmas Party Bags. We talked about hibernation, watched some cool videos, and did some fun activities. We wrote our letters to Santa, stamped, sealed, and delivered them to his mailbox. What FUN it was to get to see Santa, and all the decorated trees! He had a yummy treat for us! In Religion we talked about getting ready for Christmas. The littles enjoyed Father Robert's visit and his beautiful statue of Mary of Guadalupe.
