

Mrs. Whitney's PRE-SCHOOL NEWS

What's Happening in PS!

Another fun week down in the Preschool classroom!

We learned so much this week and LOVED learning about the Arctic! It's one of my favorite units because the littles are sooo excited to learn about it. We will continue working on it next week, too. We learned the basics about the Arctic this week and talked about all of the cool creatures that reside there. We talked about Hibernation, some of the animals that live in the Arctic and all about most of them having a white "camouflage". We did a penguin igloo craft and practiced our gluing and scissor skills. We traced our names, traced Arctic animals to igloos on all kinds of fun lines and even found time to work on the letter "L" this week! We dubbed, colored, traced, sang, danced and playdoh'd our way to mastering it!

Next week we move on to letter "M"

Valentines day party information is attached - If our room mamas need anything sent in for the party that will be coming home soon!

We are hoping to restart our buddies soon - we are trying to figure out their sport and academic schedules. We are so excited to see them again!

Catholic Schools week is NEXT WEEK!

We celebrate this the week of January 27-31st with dress up days and school activities! Our dress up days this year are as follows:

The time has come and the date has been scheduled! Please join us on March 15th for our annual St. Mary's Dinner + Auction.
