

# MARCH NEWS

Week of March 3 – 7, '25

## Weekly Decodable Readers

Just a reminder to make it a priority to read each weekly decodable with your child. Your Kinder reads the book whole group & individually with me Monday thru Thursday before sending it home, so s/he should be able to read it fluently. Before signing & returning, it is ESSENTIAL to work thru the skills & comprehension questions on the back page. KEEP THESE BOOKS for practice now thru the summer. Your child will be assessed at the beginning of First Grade & of course, those who have read all summer will have maintained skills and perhaps even advanced! ☺☺☺
