## What We Are Learning!

We worked on the letter D with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We spent the week learning about dinosaurs through books, songs, and videos. We made dinosaur eggs and fossils with Play-Doh, did shadow matching, puzzles, ten frame counting, coloring, and wrote in our journals about our favorite dinosaur and what would happen if we brought it to school. We talked about Groundhog Day and watched the live video about Punxsutawney Phil and made a cute puppet. We also had fun celebrating the 100<sup>th</sup> Day of School painting 100 dots, writing in our journals, and finding 100 Hershey Kisses (and eating a few too). In Religion we talked about how Jesus wants us to follow him.
