What We Are Learning!

We had a GREAT week. The littles really enjoyed our Valentine's Celebration. Thank you to everyone who sent in supplies and treats and those who came in to help make the party fun. We played Bingo, made pattern necklaces and some cute valentine crafts, painted by shapes and numbers, and played fun games. We worked on the letter R with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We practiced our cutting and gluing skills, and rotated through several math centers. We also took some time to learn about Dental Health. We read about different types of animal teeth, what to expect at the dentist, and how to keep our teeth healthy. We counted and matched crocodile teeth and even painted with toothbrushes!
