## What We Are Learning!

We sure enjoyed the warmer weather and sunshine and spending time outside! We spent the week learning all about community helpers. We had some special visitors come in and talk about their jobs. The littles loved talking with them! We did journal writing about what they wanted to be when they grow up, did a helper search, a cut and glue matching helpers, and even played Career Bingo! They loved playing with the cool pet center, the dental set, and the community figures in the foam blocks and Legos. We worked on the letter A with our HWT Program using Play-Doh, iPads, chalk boards, and paint dobbers. We also practiced the triangle and diamond and rotated through several fun science centers. In Religion we talked about doing good actions like helping, sharing, and saying kind words.

Next week we will be working on the letter M and celebrating Dr. Seuss Week.
