What We Are Learning!

We had a fun week celebrating Dr. Seuss. We read books, sang songs, watched video clips, and did some cool crafts. We made a Cat in the Hat, Red Fish, Blue Fish hands, Hortin the elephant, and designed our own crazy socks. They especially liked the Fox in Socks puppet. They did a great job measuring their foot with pennies, paper clips, unifix cubes, and crayons, and wrote in their journals about the Cat in the Hat. We worked on the letter M with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We also rotated through several alphabet centers and continued to work on name writing daily. The littles loved building and playing with Marble Tracks and Legos. They also enjoyed reading with their 8th grade buddies. In Religion we talked about our church season of Lent and making good choices.

Next week we will be working on the letter N and talking about nutrition.
