## What We Are Learning!

We had a great week enjoying the beautiful weather outside. We spent some time doing St. Patrick's Day activities. We read books, sang songs, and did a little dancing. We did a shamrock trace, drew leprechaun faces, wrote in our journals, and did several cool crafts to decorate our halls. We even painted shamrocks with marshmallows! We worked on the letter N with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We also talked about nutrition, the food groups, My Plate, and which foods are healthy/not healthy for our body. We rotated through several fun math and science centers. In Religion we talked about how Jesus is God's son and made our own prayer book.
