What We Are Learning!

We celebrated St. Patrick's Day on Monday with treats and sorting Lucky charms. We did some shamrock math, made Play-Doh shamrocks, and even made Leprechaun snow and soup! We worked on the letter V with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We read books and sang songs about spring, and talked about the life cycle of frogs and turtles. We did a cut and glue sequence about frogs and turtles, and a dot-to-dot number bird nest. We also made a kite with oil pastels and colored kites by shape. In Religion we talked about how Jesus wants us to grow, and how frogs and birds grow.

When we return from spring break we will review letters and numbers, and continue doing spring activities.

Notes:

On Thursday, April 3rd at 6:00 pm there will be a parent informational meeting for incoming preschool, pre-k, and kindergarten classes. If your child will be going into kindergarten next year (and you haven't already had a kindergartener), you will want to attend the kindergarten meeting.

Our Pre-K Graduation will be on Tuesday, May 20th at 6:00 pm in church. We will be ordering caps and tassels soon! More information to follow.

Have a wonderful spring break with your family!!
