What We Are Learning!

The littles were so excited to be back with their friends after a much needed spring break! We read books and sang songs about spring and took a walk with our 8th grade buddies to look for signs of spring. We found all the signs we were looking for after the sun peaked out for a bit! We spent the week reviewing the alphabet and numbers 1-10, even using Play-Doh and Legos. We continue working on fine motor skills through tracing, cutting, and gluing. In Religion we talked about forgiveness and being kind to our friends.

Next week we will be working on the letter W and talking about weather.

We do not have any birthdays for the month of April and still have a great selection of extra snacks available to use, so I will not be sending home a snack calendar. I will let you know if we need any snacks at a later date. We will celebrate any summer birthdays in May!

Notes:

Pre-K will have an Easter egg hunt (with the help of our buddies) on Wednesday, April 23rd. **Please send in a dozen plastic eggs filled with treats or wrapped candy by Tuesday, April 22nd.** Please tape the eggs shut so they don't spill out. You will not need to send in a basket as we will be making our own bunny bags.

Miss Beck (our music teacher) would like you to email her a family picture please.
