What We Are Learning!

Wow, what a wonderful week we had exploring the weather. We experienced sunny and warm, cloudy and freezing, windy and stormy, but mostly rainy this week. We wrote in our journals about our favorite weather and what wind moves (a fun prediction activity using straws). During centers we played in water to see what floats or sinks, watched water beads grow, and painted raindrops by number. The littles loved our Walking Water Experiment and discovering primary and secondary colors. We worked on the letter W with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We also rotated through several fun science centers. In Religion we talked about Lent and Palm Sunday and made some stick puppets to help tell the story.

Next week we will be working on the letter X and talking about farm animals. If anyone has any small pets that they would want to bring in and show the class next week, please let me know and we can work out a time.

Reminder: Miss Beck (our music teacher) would like you to email her a family picture please. mbeck@smsrockets.net

Notes:

The caps and tassels have been ordered for our Pre-K Graduation on Tuesday, May 20th. On Wednesday, May 21st we will have a morning of fun with our preschool friends then have an 11:00 am dismissal. This will be the last day of school for preschool and pre-k. We would love to have any available parents join us from 9-11 am if you have completed the child protection training. Please let us know if you can join us.

Reminder: Please send in a dozen plastic eggs filled with treats or wrapped candy by Tuesday, April 22nd. Please tape the eggs shut so they don't spill out. Thank you!
