

# Mrs. Whitney's PRE-SCHOOL NEWS

## What's Happening in PS!

A week of review in the preschool classroom! We worked on the reiteration of A-S and numbers 1 - 10. We traced, colored, sorted, counted, stacked and sang our way to remembering all of the letters and numbers we have worked on so far! Next week we will move on to the letter T. We are almost done with our alphabet which makes me so sad as the year is coming to an end. I'm not ready to pass these little ones on yet but they are almost ready to spread their wings and head to pre-k! They are very well prepared! :) Spring is here! I can't wait to do all of our fun crafts + soon we will have a special classroom "pet(s)"! :)

Your little was very well behaved for Miss Abby, Mrs. Carla and Mrs. Alix this week while I was out. Thank you all for the support, love, kind words and prayers you guys have sent my way. I appreciate all of you so much as my family has dealt with this tragedy this past week. Thank you.

I have attached the information for our Egg hunt/Easter party! Please let me know if there are any questions.
