What We Are Learning!

We had a great week learning all about zoo animals. We read books, watched some cool videos, added zoo animals to our Legos and blocks, wrote in our journals about our favorite zoo animals, and even used stamps to create our own zoo. We also did some zoo animal tracing, counting, sorting, and shadow matching. We worked on the letter Z with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We played Zingo, Whose Nose, worked floor puzzles, and rotated through several alphabet centers. In Religion we talked about the risen Jesus and how happy it makes us to celebrate with family and friends.
