

# 5<sup>th</sup> Grade News

August 25-29

## A Note From Miss Harpenau

My Email:

kharpenau@smsrockets.net

The fifth graders have been doing great! We are learning the rules, expectations, and routines. We are ALL so grateful for the snack donations! The kiddos get a snack mid-morning and this helps them stay focused in class and hold them over until their lunch. Several of the students have already read and finished some books and are moving steadily toward the AR goal! I'd say it's been a pretty great first (full) week of school! ☺

## What's Happening
