August 18-22

What's Happening This Month

The first two days of 8th grade have flown by, and what an incredible start it has been! We have many new and exciting things happening at SMS, and I can't wait to share them with you.

First, every student now has access to a free Hallow Premium account! As a bonus, you also receive a free 90-day trial through your child's account. More information will be sent home with your student soon.

Your 8th grader has truly started the year on the right foot, and I'm so excited to see all the amazing things they will accomplish in the months ahead!

Subject Spotlight
