

6TH GRADE NEWS

August 15, 2025

FROM THE DESK OF MRS. NAAS

What a fantastic couple of days in 6th grade! We have spent our time learning the ins and outs of how middle school will work this year, discovering fun facts about each other and adjusting to school life. They seem to be catching on pretty quickly! It will take some time to get in a groove, but we'll have it down pat in no time!

As I mentioned in the letter I mailed home a few weeks ago, I have given students an empty tennis ball can and ideas on how to fill their "6th grade Time Capsule." They worked on these during homeroom this week. These are due MONDAY! I will collect them Monday to put in a top secret location until it's time for their reveal the last day of 8th grade. If you haven't written your letter to your kiddo, feel free to do so this weekend and send in Monday and I'll be sure it gets in their capsule. Middle School is a big change both academically and personally. Please reach out anytime with questions, concerns or feedback. We want to ensure that your student is thriving and getting the best care and education at St. Mary's. Have a great weekend!
