What We Are Learning!

What a wonderful first two days of Pre-K we had! We are off to a great start! I love how the littles come into the room with smiles and seem happy to see their friends. We have been busy learning our daily routine and getting to know one another. This is such a sweet group that seem to get along well with each other. We sang songs, read stories, played with Play-Doh, Legos, puzzles, and many math materials. We drew in our journals and painted our first handprints. The littles had fun making Jitter Juice and Magic Play-Doh. We all enjoyed playing outside on the playground with our preschool friends.
