What We Are Learning!

We made it through our first full week of Pre-K! The littles are beginning to learn our routine, prayers, and songs. We read and talked about the many ways we are alike and different. We enjoyed playing games about "Who Am I?" and "Whose Nose?". We stamped our fingerprints and looked at them through magnifying glasses. We made an eye color graph and found out we have more blue eyes! They painted their names with Q-tips and even wrote in shaving cream. We did a journal page about "Getting to Know Me" and made some cute paper dolls. We also rotated through several alphabet centers.
