What We Are Learning!

We have had a busy week in Pre-K! We continue talking about the many ways we are alike and different and all about our families. Thank you for sending in the pictures. They have enjoyed telling us all about their family. We also talked about how our class is a family and they loved making their own class family bracelet. In our first phase of Handwriting Without Tears (HWT) we used our wood pieces to talk about vertical, horizontal, and diagonal lines and practiced some easy prepositional words. They drew Mat Man in their journals and had fun making their very own Mat Man to hang in our hallway. Ask your little to tell you about Mat Man! We also played with Mr. Potato Head Families, Family Counters, and practiced our cutting and gluing skills.
