Weekly News

Can you believe on September 15, we will be half way through the first quarter!?! With that being said, midterms will go home September 19th. Please sign and return to me by September 24th! Please be sure you are checking your child's grades regularly, we do not want any surprises when grades go home!

September 17 we are so excited to have Bonnie Engstrom has agreed to speak to our class about her miracle with Venerable Father Fulton Sheen. We are very excited to hear her story and be able to ask her questions! On the 18th, we will also have grandparents day! We are so thankful for all they do for use and we cannot wait to celebrate them.

September 19th we will have our first field trip of the year to camp carson. Please be sure to pack a lunch in a brown paper sack! If you have not returned the field trip form, please do so ASAP.

Iowa Basics Testing begins the week after next. Middle school will be using Monday and Tuesday for testing. I have attached a snack sign up if you would like to bring in a snack to share with the class during one of those testing days. I will let you know in next week's newsletter on which day to bring the items you signed up for. Each grade will be spending most of Monday and Tuesday with their homeroom teacher.
