Weekly News

What a week for 8th grade! Iowa testing was Monday and Tuesday and they did wonderful! We are so thankful for our prayer partners and parents who donated snacks to keep the kids energized throughout all of testing!

On October 1st, a text alert will be sent via our FACTS Management System. This is just a test to ensure you will receive alerts for weather-related or emergency announcements.

Weather-related alerts will also be posted on Facebook.

If you do not receive a text on October 1st, please notify the office immediately.

Wednesday we also picture day, please be sure your student brings home their slip with their personal QR code to order photos! We are using a new photographer, things will be slightly different in the way we order photos!
