Classroom Highlights

What an exciting and enriching week in Pre-S! Our focus was on Apples and the Letter D.

This week, we read *The Dot* and *Ten Apples Up on Top*. We completed related crafts to extend the stories and enhance creativity. We conducted a "sink or float" experiment using apples. We also used real apples to make a *Ten Apples Up on Top* craft. We colored, dotted, and spot & dot Letter D.

To wrap up the week, we participated in a delicious apple tasting. They sampled different varieties of apples along with caramel, whipped topping, sprinkles, chocolate chips, and apple juice. This hands-on experience was a fun way to explore flavors while reinforcing our apple theme! We also had so much fun celebrating Johnny Appleseeds BIRTHDAY!
