

6TH GRADE NEWS

September 5, 2025

FROM THE DESK OF MRS. NAAS

I hope everyone enjoyed their long Labor Day weekend. It was a good, short week in 6th grade. We celebrated Jack's 12th birthday on Thursday.

Did you know that you can check your student's grades in the FACTS Family Portal? This is the same website that you used when you registered your student online. I have had all students create their own accounts and they are able to keep track of their grades. We iterate that it is very important to check grades often, and I encourage you to do the same :-)

Grandparent's Day information was backpacked home Wednesday. If you or grandparents would like to stay and have lunch with your student, please turn in the lunch count form that was attached to the letter.

Mrs. McGrail is collecting pictures for Grandparents Day Mass. Please send a picture with your student with their grandparent(s). You can send pictures to amcgrail@smsrockets.net.

Have a great weekend!
