What We Are Learning!

We had a fun week in Pre-K learning all about colors. We read "My Many Colored Days" and talked about how different colors make us feel and then wrote in our journals. We also read "Harold and the Purple Crayon" and drew our own purple adventures. We sorted many math materials by color and practiced the AB pattern. We went on a color hunt walk and found many different colors and even did some scarf dancing to several fun songs! We talked about the colors of the rainbow and painted our own with water colors. We even played color and shape Bingo. Our first Show and Tell was a big success. The littles are learning great listening and speaking skills and how to take turns. We enjoyed some beautiful weather this week and loved playing outside!
