What We Are Learning!

We have been enjoying this beautiful weather and playing outside with our friends. We began our Handwriting Without Tears (HWT) Program with the letter L using Play-Doh, magnet writers, chalk boards, paint doobers, and iPads. We practiced numbers 1-10 through tracing, writing, puzzles, dice, counting bears, beads, paperclips, and iPads. The littles also enjoyed rotating through several science centers including water play, different types of magnets, polished rocks and crystals, shells, blocks, and magnifying glasses. We continue to work on our names daily. We got together with our 5th grade buddies and they helped us with a cutting and gluing numbers 1-10 paper. Father Robert came to visit our classroom and talked about virtues. Our classroom virtue for 1st Quarter is self-control.
