What We Are Learning!

We worked on the letter H this week with our Handwriting Without Tears (HWT) Program using Play-Doh, magnet writers, chalk boards, paint doobers, and iPads. We also practiced the rectangle. We finished up our apple theme with the exploding apple volcanoes experiment and wrote in our journals about the experience. We cut open apples to see the star and then used apples to stamp AB patterns. We used apple (poms) and tweezers and Play-Doh (worms) for number recognition. We also rotated through several number centers, reviewing numbers 1-10. We learned about Saint Francis of Assisi (the patron saint of animals). We did a cat dot to dot by number, watercolored pets, and fully enjoyed playing in the Pet Care Center.

Notes:

Important information about our field trip to Mayse Farm this Monday morning (October 6th) was sent home. If you have any questions, please let me know.

Just a friendly reminder, Butter Braid fundraiser forms are due back on October 20th. The funds for this help to pay for trips for our students!

Save the date: Our Halloween Party will be on the morning of Thursday, October 30th. More information to follow. We will also be participating in the Trunk or Treat in the back parking lot after naptime on the 30th. If you would like to participate and hand out candy, RSVP by Oct. 24th.
