What We Are Learning!

We worked on the letter Tt this week with our Handwriting Program using Play-Doh, magnet writers, chalk boards, paint dobbbers, and iPads. We cut open a pumpkin, played in the gooey insides, and tasted pumpkin seeds. Most of the littles loved them and kept asking for more! We also painted paper plate pumpkins, did a diagram of a pumpkin, and practiced cutting and gluing number pumpkins. We started our Pumpkin Jack science experiment. We will be watching Jack for the rest of the school year! We also rotated through several alphabet centers and continue to practice our names. In Religion we talked about what prayer is and learned the Five Finger Prayer. We attended the Prayer Partner Mass with Mr. and Mrs. Militoni.
