Miss. Abby's Preschool

Nov. 3rd - 7th

Dear Parents and Guardians,

Pre-S will not be participating in the Veteran's Program or attending Mass on Tuesday, November 11th, but all veterans are invited to this special event.

If you have a veteran in your family, I want to invite them in to read a story and talk with the littles. Reach out to me if you do and we can set up a time!

Classroom Highlights

What a wonderful week we've had! The weather has been absolutely beautiful, and we made sure to spend plenty of time outside. We have continued our tree study. We learned all about the different parts of a tree and how they help the tree grow. They enjoyed labeling tree diagrams, painting trees, and making colorful leaf wreaths. We got to spend time with our prayer partner Stephanie Kolb. She brought in a book to read to us and a fun craft. To top off our week, we had a very special visitor, Elijah the firefighter! They were thrilled to learn all about the firetruck, the tools, different buttons, gadgets, and hoses that help them do their important work. Elijah did a wonderful job answering questions and helping the children understand how firefighters keep us safe. Next week, we will continue exploring our Tree Study, diving deeper into how trees change through the seasons.

Our virtue/focus:

Upcoming Events
