Friendsgiving & 6~7 Day

Each fall it is so much fun collaborating with Mrs. Steckler to get our students together for Friendsgiving. Our littles rotated thru 8 hands on centers in the PreK & KDG classrooms, then enjoyed lunch together in the cafeteria! It was also amazing to collaborate with Mrs. Hamm to get our students together for 6~7 day. Our Fabulous Firsties & Cutie Kinders loved being in groups & visiting one another's classrooms. Thanks to our middle schoolers for playing the 6th Grader / 7th Grader guessing game with us! ☺
