What We Are Learning!

We enjoyed the beautiful weather and lots of time outside. The littles were excited to have a firefighter visit with his firetruck. They were able to get a close-up experience and learn so much about fire safety. The highlight was getting to climb up into the driver's seat! We worked on the letter U this week with our Handwriting Program using Play-Doh, magnet riders, chalk boards, paint doobers, and iPads. We talked about our five senses through books and videos. We played in sand, shaving cream, rice, and pasta. The littles enjoyed guessing scents and sucker flavors, and doing sand paper rubbings. We even made popcorn using all five senses! In Religion we learned we all belong to God's family. We made a book about Saint Francis.

Notes:

Our school participates in a scrip program where we earn a percentage from each gift card purchased. The form is sent to each family on Thursday or Friday and due back by noon on Mondays to receive the cards the same week. We are having a "Scrip Blitz" contest for the month of November. The contest will end on Friday, November 28th. The class with the most sales will get a party and bragging rights! This is a great opportunity to get your holiday gift card shopping done and support our school!

As the fall temperature have become cooler, please send in long pants to replace the summer shorts in their extra clothes.
