## What We Are Learning!

What a wonderful time we had with our Kindergarten friends during our Friendsgiving Celebration. The littles looked so cute! They loved hanging out with the big kiddos and rotating in and out of both classrooms doing fun activities. It was also cool to eat lunch together in the gym. We worked on the letter O this week with our Handwriting Program using Play-Doh, chalk boards, paint doobers, and iPads. We made Thanksgiving placemats and bracelets, water colored a turkey, made a turkey book, and colored by number. We also rotated through several math centers concentrating on numbers 1-10. Fr. Robert brought in a figure of Saint Francis of Assisi to show and tell about. We also talked about being thankful.
