**This is the traditional fonts version of the newsletter for teachers who are not able to download the font below. It uses Arial.**

*If fonts do not appear, you may need to download "Pea Katrina" from [www.kevinandamanda.com](http://www.kevinandamanda.com)*

*You can download that font [HERE](#). (right click-open hyperlink)*

Click download now, open, double click the file, click install. You should then see the font **next** time you open powerpoint or microsoft word.

You may need to redownload this product to see the fonts appear correctly.

Hope this helps!

**You may NOT post this newsletter on any website, including a classroom website, if it does not include my copyright information (which is already posted on the side of each page). I recommend deleting any slides you do not need, and saving the file as a PDF so parents cannot edit and so the fonts do not appear distorted when the file is opened.**
