## What We Are Learning

We worked on the letter S with our handwriting program using Play-Doh, iPads, chalk boards, and paint dobbers. We have been talking about snow this week and did "snow" many fun activities including reading and singing. We made a cute snowman craft, made a name snowman, made a Play-Doh snowman, water colored and glittered, did a snowman sequencing, and wrote in our journals about how to make a snowman. We also did matching mitten and snowflake games, and a roll and cover snowman game with marshmallows. (And ate a few!) We even made different kinds of fake snow to play in. Ask your little how we made it! In Religion we talked about how God gave us our five senses, and ways we use those. We continue talking about how we can do random acts of kindness.
